

# HSA PAYROLL DEDUCTION

\_\_\_\_\_ Employee Number

I \_\_\_\_\_ authorize the City of Clintonville to deduct an annual amount of \_\_\_\_\_ (bi-weekly deduction of \_\_\_\_\_ - 24 times/year) to be deposited into my HSA account.

I understand the maximum contribution for an employee with a single high deductible insurance plan is **\$3,850** for 2023 (of which the City deposits **\$1,250**) and for a family high deductible insurance plan **\$7,750** for 2023 (of which the City deposits **\$2,500**).

If you are over 55 years of age, you may be eligible to contribute an additional \$1,000 as a catch-up contribution. Please check with your tax advisor.

If there is a deduction authorization on file that will continue until a new payroll deduction form is presented to your employer.
